## YOUR AUTHORIZED FENDER DEALER AND SERVICE CENTER

The Anchorage Guitar Centre was established in April of 1977, making us the oldest music store under the same ownership in the town.

*"Our goal is to provide a high quality leading brand instruments, professionally adjusted for perfect performance, and back them up with a full service."*

Mike, our guitar technician, has serviced guitars and amplifiers for the last 30 years, specializing in **Guitar Setups**.

His extensive experience makes him uniquely qualified to **expertly adjust guitars**. This is needed for successful learning and enjoyable playing.

Mike's background is in electronic engineering, manufacturing, avionic electronics repair and calibration.

*We provide an excellent value and service to our customers. In a return their word-of-mouth advertising keeps supporting us over 30 years.*

*You Deserve the Best...*
